## Free Public Seminar on "Project Review of the Brian Lara Cricketing Academy"

Executives, managers, engineers, industry practitioners, academics, students and others who are interested in the Seminar's topics are cordially invited to attend the Seminar.

<b>DATE</b> Saturday, 27th January 2018	<b>TIME</b> 9:00 am to 12:00 noon
<b>VENUE</b> Room 101, Faculty of Engineering Building Block 1, The University of the West Indies, St Augustine Campus, Trinidad & Tobago	

The Industrial Engineering (IE) Office and The Office of MSc Project Management Programme of The University of the West Indies (UWI) are organising this Seminar, in collaboration with the Education Society (EdS) Chapter and the Technology and Engineering Management Society (TEMS) of the IEEE Trinidad and Tobago Section. The Seminar is

supported by the Society of Caribbean Industrial Engineers (SCIE), The IET Local Network, Trinidad and Tobago, and The American Society for Quality Local Member Committee (ASQ-LMC), Trinidad and Tobago.

**This seminar is Free of Charge. However, pre-registration by Tuesday 23rd January 2018 is recommended due to limited seats.**

### Highlights of the Seminar

The Brian Lara Cricket Academy is a multi-purpose stadium in Tarouba, Trinidad and Tobago that was recently completed. It will be used mostly for cricket matches having initially been envisioned and conceptualised to host warm-up matches during the 2007 Cricket World Cup and serve as a cricket academy post the tournament.

The stadium was abandoned for 5 years. In 2015, the project was restarted, \$90M was allocated for the renovation and completion, and it has been delivered at a cost of \$86.4M. This seminar is to provide a project review of the Academy. It would highlight the impact of the project management on the national landscape from a project quality perspective. The core aspects of 1) Project Governance, 2) Contract Management, and 3) Quality Project Execution, would be addressed.

### Invited Speakers

- **Ms. Ayanna Lewis**, Project Manager, Urban Development Corporation of Trinidad and Tobago (UDeCOTT)
  - **Mr. Ian Telfer**, FIDIC Engineer with NLBA Architects Limited
  - **Mr. Sizwe Jackson**, Project Manager with NLBA Architects Limited
